

Flama D'or
Organic Cava

NV

Produced by Castell d'or a group of co-operatives The Cava Flama d'Or is located in the Comtats de Barcelona area, a land of diverse landscapes, mainly composed of pretty valleys nestling in between low-lying mountain ranges. A traditional cava blend of Xarel·lo 40%, Macabeo 30% and Parellada 30% made using the traditional method. An elegant cava with delicate bubbles, perfectly integrated acidity and aromas of orange blossom and apricot.

100% Garnacha Blanca harvested in early September from old bush vines cultivated in and around the village of Capçanes. As an orange wine, it is produced with extended skin contact during vinification, more usual in red wine making. After a 15 day maceration on the skins, fermentation is carried out in stainless steel tanks and lightly pressed afterwards. The wine is then aged on its lees before a light fining prior to bottling. Intense golden colour and amber reflections the palate displays the textural appeal of the variety, orchard fruit characters and perfectly poised acidity.

Viura 85% - Chardonnay 15%. 300ha of vineyards are planted on clay-limestone soil. The Viura comes from very old vineyards & the Chardonnay from a vineyard established 7 years ago. Grapes are all hand-picked in early October. Fermentation in stainless steel vats at a controlled temperature and matured on the lees. Bright yellow with hints of gold. Fresh aroma of fruit, such as apricot. Rounded, long & pleasant on the palate

The 5 finques is a complex wine that expresses the different microclimates, lands and varieties of the Empordà in Catalonia. The winery has documents tracing the winemaking traditions back 6 centuries. Aromas of red fruits and spices, balsamic notes & toasted background. In the mouth it is fresh, well-structured and balanced. Its tannins are present but well integrated. This is a wine with a great personality and a long after-taste.
